

HKC Committee Meeting

5th February 2024

Present: Dave, Tony, Kay, Alan, Andrew, Sue, John, Rob

Apologies: Mark

Minutes read and agreed

Matters arising

Ergo night arranged for 28th Feb with curry. Ergo challenge to start at 6, food from 7.30. Members can then choose to go on water or on ergos.

Club day _ Kay has booked for Sunday 11th August as not many days left on rowing club calendar.

Development plan. Dave said we do not need to redo it as still working through current plan so he proposes we leave it. Andrew asked if we needed to appoint ambassador – Dave said already in plan. Agreed we would leave.

Incident Review

Dave had another incident with fisherman when in K2 with Andrew. Dave won't bother reporting this to fishermen.

Financial Report

No change in this. Still no bill from rowing club. Dave has put together membership fee options. We will agree figure next meeting once rowing club bill confirmed (should not be more than 6% increase).

Purchase of boats

Dave- looking at shed we need 2 more club boats. Tony has spoken to Kirton re purchasing new ones. Latest pricing slightly unclear. Dave: cost of 2 standard number 1 boats approx. £2920. If K2 added to this would be nearer £5548. Three no. 11's would be £6218.

Andrew – we need to look at Claude's new boat which should be coming end of Feb.

AOB

Andrew – should we always have 2 instructors present at club due to safeguarding concerns. Would need to communicate this formally. Tony said would depend on the situation but would not both have to be on the water.

We need to tidy up position of people who haven't completed all the training- especially safeguarding and first aid.

John: Do we have a record of qualifications that should be reviewed every 6 months. Dave said yes.

Prizes for race – will be discussed next meeting. John has been looking into this.

June to give book to Kay re organising the tearoom.

Next meeting : March 4th at 7.15pm

Meeting closed 8.20pm
